I know a place where the children go,
Reach for the stars - to influence the world.

Where school spirit and learning,
Are accomplished through fun,
We are educated by a school we love.

We go to school to learn amazing things.
We walk the way of the Del Cerro proud.
We made a special declaration,
To be kind and caring,
We're the Del Cerro Dolphins, and we're here to stay.

We love to be at Del Cerro Elementary.
Learning comes first, on the road to our goals.
Inside every classroom,
We move toward the future,
But we will always, call Del Cerro home...
We will always, call Del Cerro home!
